

Community Dental Service

Going into hospital for surgery on my teeth

I will go to the main reception at Fairfield Hospital.

I will take the lift or the stairs to floor 2.

I will walk down the corridor.

I will meet the receptionist at ward 3.

This is ward 3.

I will be taken to my own room.

The nurse will take my temperature.

The nurse will check my blood pressure.

I will be taken to the surgery ward.

This is the surgery reception.

I will be taken into theatre. This is where the dentist will fix my teeth.

This is the team who will do my surgery.

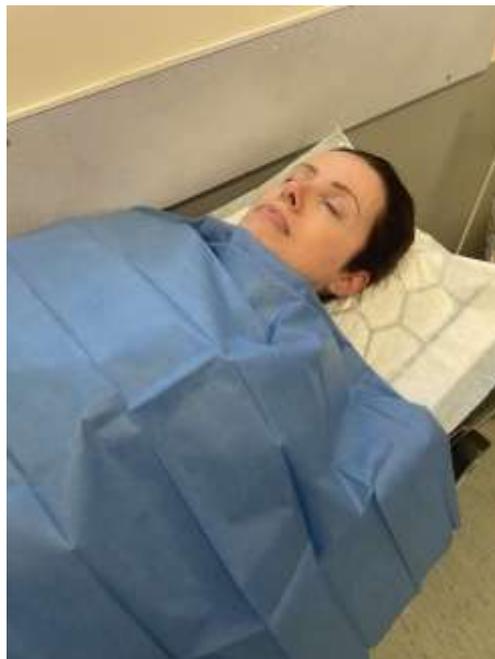

These are the dentists.

These are the dental nurses.

I will have a needle fitted into my hand for medicines.

I will have medicine that will make me feel sleepy.

I will fall asleep.

This is where I will wake up.

I will stay here until I feel ok to go home.
